

Sunshine App User Guide – How to Sign Up (Volunteers)

Step 1: Visit sunshinedogs.app. Click on “Sign Up” and register with your name, email, and a password.

The screenshot shows the 'Sign In' screen of the Sunshine App. At the top left is the Sunshine Therapy Dogs logo. Below it, the text 'Sign In' is displayed in a large, bold font. Underneath, it says 'Choose a sign-in method below'. There are two main options: a light blue button with the Google logo and the text 'Sign in with Google', and a link that says 'or sign in with email'. Below these are two input fields: 'Email address' and 'Password'. A link for 'Forgot your password?' is located below the password field. At the bottom, there is a dark blue button labeled 'Sign In' and a link that says 'Don't have an account? Sign Up'.

Step 2: Verify your email. Check your inbox for a verification code, then return to the app and enter it in the code prompt to continue.

The screenshot shows the 'Verify your email' screen of the Sunshine App. At the top left is the Sunshine Therapy Dogs logo. Below it, the text 'Verify your email' is displayed in a large, bold font. Underneath, it says 'Enter the verification code sent to your email'. There are six empty input boxes for the verification code. Below the boxes is a link that says 'Didn't receive a code? Resend (20)'. At the bottom, there is a dark grey button labeled 'Continue' with a right-pointing arrow.

Privacy Considerations

- Your postal code, phone number, and email are **private** and used only by the admin team.
- The following will be visible to the public: your first name, bio, preferred audience categories, profile photo, and your dog's profile.
- All communication takes place through the in-app chat feature.

Travel Distance & Visibility

- Your travel distance determines how far you're willing to travel from your postal code.
- The larger the distance, the more people can find your profile.
- Individuals can search for dogs based on their own postal code and how far they're willing to travel.
- You can also select preferred age groups — the more you include, the more people can reach you.
